

Best Horse Practices Summit

Bringing together the best of equine research and practical horsemanship to improve the horse-human connection.

We provide eye-opening and inspiring academic and arena presentations in a collaborative setting.

The Summit Board of Directors is pleased to offer full and partial scholarships as our budget allows. All applicants will complete this form. Send to info@besthorsepracticessummit.org. Type "Scholarship" in subject line.

Applications will be reviewed by members of the board and steering committee. Recipients will be notified on or before September 1 (unless submission is after September 1). Funds allocated on a first come, first served basis.

Best Horse Practices Summit Scholarship Application

Name and contact information (include mailing address, phone, email. Double-check for errors!)

What do you/your organization do in the equine field?

Why are you interested in attending the BHP Summit?

Scholarship recipients must commit to at least 10 hours of volunteer time. In what areas would you be able to assist? Trade show, airport pickup, fund-raising, registration table, social media posting, etc.

In what areas are you willing and able to provide support before and/or after the Summit? (social media, distributing flyers, mailings, public outreach, fundraising, etc)

We would like to help as many applicants as possible. However, our funds are limited. Would you need a full or partial scholarship? Bear in mind that the Summit *does not* cover lodging and travel expenses.

Feel free to share any additional information that may inform the board of your interests, ideas, background, and enthusiasms as they relate to the Summit.
